

COVID-19 Global Humanitarian Response Plan

GHRP INDICATORS Final version - 5 June 2020

Annex I: Needs and Situation Monitoring

Situation and Needs	Indicator	Frequency	Responsible entities	Source	How to aggregate at global level
Spread and severity of the pandemic	Total number of deaths among confirmed cases in GHRP countries	Weekly	WHO		Add up
	Number and proportion of new confirmed cases in health care workers	Weekly	WHO		Add up
	Number of COVID-19 cases in GHRP countries	Weekly	WHO		Add up
Mobility, travel and import/export restrictions in priority countries	Number of priority countries with international travel restrictions in place	IOM: Monthly	IOM, WHO, WFP	WFP: https://data.humdata.org/dataset/covid-19-global-travel-restrictions-and-airline-information IOM: IOM COVID-19 Travel Restriction https://www.who.int/emergencies/diseases/novel-coronavirus-2019/phsm IOM: IOM COVID-19 PoE Weekly Analysis.	Count/Proportion
	Number of priority countries with partial or full border closures in place	IOM: Monthly	IOM, WHO	https://www.who.int/emergencies/diseases/novel-coronavirus-2019/phsm	Count
Food security	Number of priority countries with reduced availability of agricultural inputs	bi monthly	FAO	Crop and Food assessment survey	Count
	Number of people adopting crisis level coping strategies (Reduced Coping Strategy Index)	Daily	WFP	Hungermap.wfp.org	Agregate Count for countries with mVAM
	Number and proportion of people with unacceptable food consumption score	Daily	WFP	Hungermap.wfp.org	Agregate Count for countries with mVAM
	Number of people in IPC Phase 3+ in priority countries (in countries where new analyses are available)	bi monthly	FAO/IPC	IPC analyses	Count
	Food and crop production estimates in GHRP countries	seasonal	FAO	HH assessments/KIIs/ Crop and Food assessment survey	Average
	Market Functionality Index	Monthly	WFP	dataviz.vam.wfp.org	count
	Food Insecurity Experience Scale (FIES) in GHRP countries	bi monthly	FAO	HH assessment	Average
Child protection	Number and % of countries integrating a monitoring system able to measure changes and to identify child protection needs	Quarterly	CP-AoR	Global Cluster- CP AoR	Global CP AoR will consolidate the data and share with OCHA
Education	Number of children and youth out of school due to mandatory school closures in GHRP countries		UNICEF, UNESCO		Add up
Gender based violence	Number and Proportion of Countries where GBV services have been interrupted.		UNFPA		Add up
Nutrition	Number of countries that have activated the Nutrition Coordination mechanism in response to COVID-19 and/or its impacts	Quarterly	UNICEF (Global Nutrition Cluster)	Global Nutrition Cluster	Global Nutrition Cluster will consolidate the data and share with OCHA
Protection	Number of countries reporting incidents of Covid-19 pandemic-related xenophobia, stigmatization or discrimination against refugees, IDPs or Stateless persons.		UNHCR	Protection Monitoring	% of countries reporting incidents
Sexual and reproductive health	Number of institutional births in COVID-19 affected areas globally		WHO, UNFPA		
	Proportion of countries where pre- COVID-19 levels of institutional births are maintained	Monthly	UNFPA		Add up

Annex II: Response Monitoring

Strategic Priority	Specific Objective	Indicator	Target	Frequency	Responsible entities	How to aggregate at global level
Contain the spread of the COVID-19 pandemic and decrease morbidity and mortality	Ensure essential health services and systems	Number of passenger movement requests fulfilled	90%	Monthly	WFP	Already provided at global level for global response
		Number of GHRP countries with multisectoral mental health and psychosocial support technical working groups	100%		WHO	Count/Proportion
		Number of cargo movement requests fulfilled	90%	Monthly	WFP	Already provided at global level for global response
		Number of children and women receiving essential healthcare services	43,388,557	Monthly	UNICEF	
		Number of Healthcare Workers provided with PPEs	2,643,457		UNICEF	Add up
		Number and percentage of children and adults that have access to a safe and accessible channel to report sexual exploitation and abuse	UNFPA: UNICEF: 3,202,064		UNFPA, UNICEF	Count/Proportion: sum of data from all countries that report on this indicator
		Number of caregivers of children less than 2 years old reached with messages on breastfeeding, young child feeding or healthy diets in the context of COVID through national communication campaigns	12,912,916	Monthly	UNICEF	Sum of results of all GHRP countries against this indicator
		Number of hubs established for consolidation, and onward dispatch of essential health and humanitarian supplies	8	Monthly	WFP	Already provided at global level for global response
		Number of 3plies/medical Mask distributed against need (or request)	WHO: UNFPA: UNHCR: OCHA:		WHO, UNFPA, UNHCR, OCHA	Add up
	Learn, innovate and improve	Percentage of countries implementing seroepidemiological investigations or studies	20%		WHO	Count/Proportion
	Prepare and be ready	Number of countries with costed plans in place to promote hygiene and handwashing in response to COVID-19	60	Monthly	UNICEF	Count GHRP countries reporting yes to this indicator
		Proportion of GHRP countries that have a national Infection Prevention and Control programme including water, sanitation and hygiene (WASH) standards and WASH basic services operational within all health-care facilities	100%		WHO	Count/Proportion
		Number and proportion of countries with COVID-19 Risk Communication and Community Engagement programming	60	Monthly	UNICEF	Count GHRP countries reporting yes to this indicator
	Prevent, suppress and interrupt transmission	Proportion of GHRP countries with COVID-19 national preparedness and response plan			WHO, UNICEF	Count/Proportion
		Proportion of GHRP countries with a functional multi-sectoral, multi-partner coordination mechanism for COVID-19 preparedness and response	100%		WHO	Count/Proportion
Number and proportion of countries where messages on gender-based violence risk mitigation and available gender-based violence services were disseminated in all targeted areas.		100%	Monthly	UNFPA	Count countries	
Decrease the deterioration of human assets and rights, social cohesion and livelihoods	Ensure the continuity and safety from risks of infection of essential services including health (immunization, HIV and tuberculosis care, reproductive health, psychosocial and mental health, gender-based violence services), water and sanitation, food supply, nutrition, protection, and education for the population groups most exposed and	Number of children 6-59 months admitted for treatment of severe acute malnutrition (SAM)	3,726,211	Monthly	UNICEF	Sum of results of all GHRP countries against this indicator
		Proportion of countries where at least one vaccine preventable diseases mass immunization campaign was affected (suspended or postponed, fully or partially) due to COVID-19	0		WHO	Count/Proportion

	vulnerable to the pandemic	Number of women and girls who have accessed Sexual and Reproductive Services	UNHCR: 375,000	UNFPA: Monthly UNHCR: 2 x yearly	UNFPA, UNHCR		
		Number and proportion of countries in which minimum child protection services are operational during the COVID-19 crisis	60	Monthly	UNICEF	sum of (counting) GHRP countries reporting yes to the key CP indicators	
		Number of children and youth in humanitarian and situations of protracted displacement enrolled in pre-primary, primary and secondary education levels		Monthly	UNHCR	Add up	
		Number of children and youth supported with distance/home-based learning	179,302,188	Monthly	UNICEF, UNHCR	Sum of results of all GHRP countries against this indicator	
		Number of people (girls, boys, women, men) receiving essential healthcare services	UNHCR: 5,400,000	UNHCR: 2 x yearly	UNICEF, UNHCR, IOM		
		Number of people who have accessed protection services		Monthly	UNHCR, IOM		
		Number of people reached with critical WASH supplies (including hygiene items) and services	UNICEF: 53,642,028	Monthly	UNICEF, IOM	Add up	
		Number of children, parents and primary caregivers provided with community based mental health and psychosocial support and messages	UNICEF: 9,453,244 UNHCR: 115,000	IOM - Monthly UNICEF: 2 x yearly	IOM, UNHCR, UNICEF		
	Preserve the ability of the most vulnerable and affected people to meet the additional food consumption and other basic needs caused by the pandemic, through their productive activities and access to social protection and humanitarian assistance		Number of people/households most vulnerable to/affected by COVID-19 who have received livelihood support, eg cash transfer, inputs and technical assistance	FAO: IOM: UNDP: UNICEF: 1,307,363 UNHCR:		FAO, IOM, UNDP, UNICEF, UNHCR	Add up
			Number of people/households most vulnerable to/affected by COVID-19 who benefit from increased or expanded social protection	FAO: IOM: UNDP: UNICEF: 5,822,200 UNHCR: UNRWA:		FAO, IOM, UNDP, UNICEF, UNHCR, UNRWA	Add up
	Secure the continuity of the supply chain for essential commodities and services such as food, time-critical productive and agricultural inputs, sexual and reproductive health, and non-food items		Number of cargo movement requests fulfilled	90%	Monthly	WFP	Already provided at global level for global response
			Number and proportion of countries where GBV services are maintained or expanded in response to COVID-19.		Monthly	UNFPA, UNHCR	
			Number and percentage of countries that have had requested consignments of reproductive health kits and other pharmaceuticals, medical devices and supplies to implement life-saving SRH services, shipped since Mar 1, 2020	100%	Monthly	UNFPA	ADD up countries where core commodity at least part of the core commodities were shipped
			Number of passenger movement requests fulfilled	90%	Monthly	WFP	Already provided at global level for global response
Protect, assist and advocate for refugees, IDPs, migrants and host communities particularly vulnerable to the pandemic	Advocate and ensure that the fundamental rights of refugees, migrants, IDPs, people of concern and host population groups who are particularly vulnerable to the pandemic are safeguarded, and that they have access to testing and health-care services, are included in national surveillance and response planning for COVID-19, and are receiving information and assistance	Number of refugees, IDPs and migrants particularly vulnerable to the pandemic who receive COVID-19 assistance			IOM, UNHCR	Add up	
	Prevent, anticipate and address risks of violence, discrimination, marginalization and xenophobia towards	Number and proportion of countries inhabited by IDPs, refugees and migrants with feedback and complaints mechanisms functioning			UNRWA, UNHCR	Add up	

	refugees, migrants, IDPs and people of concern by enhancing awareness and understanding of the COVID-19 pandemic at community level	Number/proportion of countries where areas inhabited by IDPs, refugees, migrants and host communities are reached by information campaigns about Covid-19 pandemic risks	IOM: UNFPA: UNHCR: UNICEF:		IOM, UNFPA, UNHCR, UNICEF	Add up
