Cross-cutting themes workstreams

There are 6 established workstreams looking at cross-cutting themes
- Anti-racism and Localization (A&L); Gender & GBV; Disability; Humanitarian Development Nexus (HDN); Accountability to affected populations (AAP) and Climate change

Some key achievements this quarter include:
- 3 of 6 of the groups have an annual work plan established.
- Gender: Planning of gender core concept training
- A&L- Anti-racism training conducted for the Technical Support team, a localization consultancy launched
- Climate: carbon footprint now a consideration for support

7 Partners are engaged in the CCT workstreams in addition to Alliance core agencies with a total of 53 members across the 6 Groups.

Communications & Knowledge Management

Webinars:

- 1 webinar took place this quarter: Wasting Treatment: The Use of Cost Data for Decision Making in Child Wasting Treatment

- This was attended by 108 participants, 40 (37%) were from local NGOs

Learning Needs & Products

- This quarter work continued on a learning piece on the use of MUAC and WHZ classification, and Yemen NIS Taskforce evaluation

Advice | Guidance | Expertise | Learning

Thought Leadership Updates

- During the quarter, the MAMI Global Network agreed to formally act as the Global Thematic Working Group to answer technical questions relating to nutritionally at-risk infants under six months.

- The IFE Core Group continued to support the Ukraine nutrition response and two questions were sent to the GTWG for sense checking. Including a question on Operational Guidance interpretation regarding follow-on formula in the context of EU regulations.

- Two questions were escalated to the CVA and Nutrition GTWG which included a question on contradictory guidance on the use of CVA for breastmilk substitutes (BMS).

Advice | Guidance | Expertise | Learning

Thought Leadership Updates

- The Wasting GTWG held the first in a series of webinars planned on costing and cost-effectiveness tools and methodologies to build consensus on best practices.

- The NIS GTWG held a four-day in-person meeting in Amman to discuss Yemen NIS as well as wider global applications in other fragile and conflict-affected states.

- A cross-chair quarterly call was held at the end of June to explore areas of collaboration across the GTWGs and processes for identifying technical gaps.
