

ANNUAL MEETING
2022

OUR
FUTURE

January 24-26, 2023
1pm-4pm CET/7am-10am EST

PART 1 – OUR FUTURE

Meeting Objectives

In light of the current Global Food & Nutrition Crisis, the GNC Annual Meeting will:

- Discuss common strategic priorities to meet the current crisis, and reflect on learnings from the response scale up and, what changes need to be made.
- Update GNC partners on progress made, including critical gaps and challenges with respect to the three Strategic Objectives of the GNC 2022-2025 Strategy – People, Operational & Technical Support and Enabling Environment.
- Examine country-level experiences and learning – what has been invested to date in: People, Operational & Technical Support and Enabling Environment, and what are the remaining gaps.

Day 1
January
24th 2023

Expected Outputs:

- Context and magnitude of the current global food & nutrition crisis is understood by participants
