

# GNC Resource Partner Engagement Action Plan **2024 - 2025**

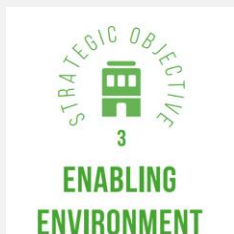

Brief – October 2024

# OBJECTIVES

Leveraging both resources and influence to support GNC priority countries to develop or strengthen national and subnational technical and coordination capacities to prepare for, respond to, and recover from nutrition emergencies

GNC Strategic Priorities  
2022-2025

✓ **Increasing and diversifying funding resources for the GNC** while sustaining resources from current partners to enable the delivery of the GNC Global Strategy 2022-2025 priorities and Annual Work Plans for the 2024-2025 period.

✓ **Influencing resource partners and other key stakeholders to secure increased political, operational and financial support and investment in nutrition in emergencies.**

# ACTION PLAN STRATEGIC PRIORITIES/ STREAMS

1

**GROW** existing GNC Resource Partner Funding

2

**DIVERSIFY** – Secure Funding from New Public and Private Resource Partners

3

**ENHANCE** Country Nutrition Cluster/Sector Coordination Capacities for Resource Mobilization and Strategic Donor Engagement  
(focus on Local and National Actors in line with GNC Localization Roadmap)

4

**ENABLERS: Advocacy, Communications and Visibility**
